The SPEAKER pro tempore. Pursuant to House Resolution 170 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the further consideration of the bill, H.R. 839.

IN THE COMMITTEE OF THE WHOLE

The Clerk read the title of the bill.

ANNOUNCEMENT BY THE CHAIR

The CHAIR (during the vote). One minute remains in this vote.

□ 1909

So the amendment was rejected.

The result of the vote was announced as above recorded.

Stated against:

Mr. GRAVES. Mr. Chair, on rollcall No. 196, had I been present, I would have voted "no."

The CHAIR. The question is on the committee amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WOMACK) having assumed the chair, Mr. POE of Texas, Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 839) to amend the Emergency Economic Stabilization Act of 2008 to terminate the authority of the Secretary of the Treasury to provide new assistance under the Home Afford-

able Modification Program, while preserving assistance to homeowners who were already extended an offer to participate in the Program, either on a trial or permanent basis, and, pursuant to House Resolution 170, reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the committee amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. LARSEN of Washington. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. LARSEN of Washington. In its current form, I am opposed to the bill.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. LARSEN of Washington moves to recommit the bill H.R. 839 to the Committee on Financial Services with instructions to report the same back to the House forthwith with the following amendment:

In subsection (c)(1) of the matter proposed to be inserted by the amendment made by section 2 of the bill, strike "paragraph (2)" and insert "paragraphs (2) and (5)".

At the end of section 2 of the bill, strike the closing quotation marks and the last period and add the following new paragraph:

"(5) CONTINUATION OF PROGRAM FOR MEMBERS OF THE ARMED FORCES AND GOLD STAR RECIPIENTS.—

"(A) IN GENERAL.—After the date of the enactment of this Act and only to the extent that amounts are made available pursuant to the authorization of appropriations under subparagraph (C), the Secretary may provide assistance under the Home Affordable Modification Program on behalf of any homeowner who otherwise qualifies for assistance under such Program who is—

"(i) a member of the Armed Forces of the United States on active duty, including those members on active duty in Iraq or Afghanistan, or the spouse or parent of such a member; or

"(ii) eligible to receive a Gold Star lapel pin under section 1126 of title 10, United States Code, as a widow, parent, or next of kin of a member of the Armed Forces person who died in a manner described in subsection (a) of such section.

"(B) IDENTIFICATION OF AMOUNTS.—Not later than the expiration of the 180-day period beginning on the date of the enactment of this paragraph, the Secretary shall—

"(i) determine, in consultation with the Secretary of Defense and the Secretary of Veterans Affairs, the amount necessary to provide assistance under the Home Affordable Modification Program to the persons de-

scribed under clauses (i) and (ii) of subparagraph (A); and

"(ii) submit notice of such determination to the Congress that specifies such amount.

"(C) AUTHORIZATION OF APPROPRIATIONS.—Effective upon the submission to the Congress by the Secretary of the notice required under subparagraph (B), there is authorized to be appropriated, for assistance under the Home Affordable Modification Program only for persons described under clauses (i) and (ii) of subparagraph (A), the amount identified in such notice."

Mr. LARSEN of Washington (during the reading). Mr. Speaker, I ask unanimous consent to dispense with the reading.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

The SPEAKER pro tempore. The gentleman is recognized for 5 minutes.

Mr. LARSEN of Washington. Mr. Speaker, this amendment does one simple thing:

It continues the Home Affordable Modification Program for members of the Armed Forces and Gold Star recipients.

Mr. Speaker, we all know the Home Affordable Modification Program has not performed to the original projections, but this is an effort that has provided 600,000 permanent loan modifications. Six hundred thousand American families are still in their homes because of this effort. I doubt these families would tell you it is not working.

Mr. Speaker, some will say that terminating this program won't affect those who have already received modifications or are working through a modification currently. Yet many more families still need help, especially military and gold star families.

Even though the economy is beginning to recover, the housing market is still struggling. HAMP is currently helping 30,000 additional families every month.

I would prefer that we keep this effort going for everyone. But if we are not about to, at a minimum we need to preserve this program for active military and gold star families.

Regardless of how anyone feels about the underlying legislation and regardless of how anybody feels about the funding for the original legislation, we can all agree that we owe our men and women in uniform a tremendous debt of gratitude for their service and sacrifice. While defending our country, servicemembers should not be afraid that their families will lose the roof over their heads, but that's the very situation in which a Navy sailor found himself last year as part of Operation Enduring Freedom.

Seven thousand miles from home, there was little he could do to help his spouse balance the stress of raising two children, of her work, and of household expenses. To top it off, their mortgage was about to jump to almost \$2,300 a month. But this family was able to find relief in the Home Affordable Modification Program. They applied for a trial

modification under HAMP and began making reduced payments. After a few months, their modification became permanent and reduced their monthly payment by almost \$400.

This program helps keep servicemembers and their families in their homes. Some will say that this bill includes a study on the best practices that could be applied to mortgage assistance programs to help members of our military. But, Mr. Speaker, you can't live in a study. A study does not put a roof over your head. A study doesn't provide shelter for your children. And a study won't help you pay your bills when your mortgage rate skyrockets.

Mr. Speaker, our servicemembers and gold star families don't need a stack of paper telling them the ways that we might help. They need actual help. As it currently stands, this bill takes something from our men and women in uniform, a mortgage assistance program, and gives them nothing in return.

My district includes two Navy bases, each home to thousands of servicemembers and their families. Additionally, the district has the Washington State National Guard and Reserve located there. I am proud to represent these men and women and am honored by the work they do each day. These men and women and their families sacrifice for our country. While they're protecting our families, the least we can do is protect their homes.

Let's be clear. The passage of this amendment will not prevent the passage of the underlying bill. If the amendment is adopted, it will be incorporated into the bill, and the bill will be immediately voted upon. We need to do all in our power to ensure the men and women who fight and die in our wars are able to keep their homes. It's very simple.

I urge my colleagues to vote "yes" on this final amendment.

With that, Mr. Speaker, I yield back the balance of my time.

Mr. MCHENRY. I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from North Carolina is recognized for 5 minutes.

Mr. MCHENRY. Mr. Speaker, first of all, Veterans' Administration loans are not permissible under the HAMP program. They cannot go through the HAMP program in order to get relief of their mortgage. Furthermore, veterans are already covered under an effective program which is assistance to veterans with VA guaranteed home loans. That program is actually working.

The program that my colleague has offered this cynical motion to recommit for is merely a roadblock for us eliminating a failed government program.

I want to tell you, the Special Inspector General for TARP has said that HAMP recipients sometimes end up unnecessarily depleting their dwindling savings in an ultimately futile effort to

obtain the sustainable relief promised by the program guidelines. Others, who may have somehow found ways to continue to make their mortgage payments, have been drawn into failed trial modifications that have left them with more principal outstanding in their loans, less home equity, or a position further underwater and worse credit scores. Perhaps worst of all, even in circumstances where they never missed a payment, they may face back payments, penalties and even late fees that suddenly became due on their modified mortgages that they have been unable to pay. This Federal program that my colleagues on the other side of the aisle are standing up and defending leaves people with late fees, penalties under their modified mortgages, and oftentimes results in the loss of their very home.

Furthermore, I would tell my colleagues that some have been helped in this program. But for every one person that's been helped, there's more than one other person that has actively been harmed. They deplete their savings, they ruin their credit, and their house is taken from them.

□ 1920

And this is a government program. I ask my colleagues, do not subject our veterans, with this motion to recommit, to a failed program. We don't want our veterans to come home to a Federal program that is actively harming them. And that's what this recommit does.

Furthermore, I would say to my colleagues, if we can't vote to eliminate this Federal program, I ask you, what programs can we eliminate?

Vote against this recommit. Vote for final passage. Let's move on.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mr. LARSEN of Washington. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

The vote was taken by electronic device, and there were—yeas 185, nays 238, answered "present" 1, not voting 8, as follows:
